## American Legend Corvette Club

### August/September 2009

The Club Picnic that was held on August 8<sup>th</sup> at the Eastman Park was enjoyed by all that attended. Even though the crowd was smaller than usual, it was a wonderful chance to catch up with good friends! Our thanks to Darris Woods for making the arrangements and getting the food for us. We really appreciate all the work that Darris has done this year planning these events. If you were unable to join us, we hope you can make the next event.

Our prayers are with Ardell Reynolds who is recovering from surgery she had on her ankle on August 4<sup>th</sup>. Rumor has it Doug is really anxious for her to back on her feet!

Plans to go to The Great Smokey Mountain Auto Fest will be discussed at our September meeting at Ryan's in Greeneville on Monday, September 14, at 7 p.m. (Please note this is the second Monday due to the Labor Day Holiday.) We hope to see everyone at this meeting.

For 2010, new officers will be elected. Please give some consideration as to how you might be able to serve.
