

Newsletter American Legend Corvette Club August 2008

Fall is fast approaching and many opportunities for our Corvette family are planned.
We hope you'll join us!

First we'd like to extend a big thanks to J.R. & Christine Moritz and to Gary & Carolyn Taylor for having our club to their homes in July. A wonderful time was had by all who attended both the day at the lake and the pig roast. (Thanks, too, to the Taylor's son, Wayne, for roasting the pig!) Check out the web page for pictures of the fun time we had. Thanks, guys!

REMINDER: September 1st is the deadline for the trip to Mt. Airy, NC for Mayberry Days on September 27, 2008. To make a reservation for this trip, call the Quality Inn @ 1-336-789-2000. We'd love to have a big group for this outing! Details will be worked out at our September 8th meeting at Ryan's in Greenville.

Please remember Mike Hensley and his family in your prayers. Mike's Dad, Herbert Hensley passed away last week. Also remember the family of Linda Green, wife of Bob Green, past long-time members of our club. Also remember Carolyn Taylor's brother who had surgery this month.
