TWENTY YEARS CELEBRATION (Yes, 20 years.)

On November 4, 1986 Jim (and maybe a couple other guys) had a vision...a vision of a Corvette Club that would be family oriented and always remember that our cars were a gift from God to be enjoyed and not cherished. Twenty years later, we plan to celebrate Jim’s vision, so please mark your calendars for October 14, 2006. We will have a cookout, etc. at Panther Creek Park in Morristown (as Morristown is where it all started) and hope to enjoy the day with not only present club members, but members of the past which have, for whatever reasons, not been able to be a part of us at this time.

Jim, thank you for your vision! Thank you for your perseverance! Thank you for always allowing God to be your guide, which has brought us to the great club family that we *are today!!!*
